**We do our business strictly complying with the Copyright Law of the United States of America.
We use only licensed materials, including all prints, and photo.*

***The "bullets", contained within some presentations,
are brand new cartridges, which have been rendered inert, and contain no harmful parts or substances
They are dummy, never had neither primer, nor any explosive materials like gunpowder.
They are also trimmed from the back, to permanently disable their original function, and can be used for DISPLAY PURPOSES
ONLY.*

****The "cigar" contained within some presentation is a Movie Props Item, not for consumption. No attempt should be made to light
or smoke, as this could cause a serious health hazard.*

*****The "gun", contained within presentations is a life size replica hand guns, which has no
mechanism inside, although it has protective marking at the back side, and at the
gunpoint, as required by law.
But due to the shadow box depth and careful measures, these marks are invisible, while the gun is located within the frame.*

None of the items intended to be removed from its mount, within the frame.
